BRITISH RALLY CHAMPIONSHIP

Louise Cook (Cookie) - Rally Driver

Wynn's is proud to help support young lady Rally Driver Louise Cook. Louise's first taste of Rallying came when she was just 19. Louise entered a competition at a car show to get more women into Rallying. She came 2nd in the competition and ended up entering her first Rally at the Rockingham Stages in an old Peugeot 205 at the age of 19. Louise was instantly bitten by the Rally bug and was desperate to find a way of Rallying more often than once a year. She came up with an idea called promotion 50. The idea was to get 500 sponsors on-board each pledging just £50. Louise worked tirelessly to get sponsors on board & 2010 saw Louise enter her Ford Fiesta ST in the British Rally Championship Challenge. Louise managed top 10 finishes and a RC4 Class Win!

In 2011, only her second season of Rallying Louise has thrown herself in at the deep end entering the MSA Dulux Trade British Rally Championship (Premier League of UK Rallying). Louise has received some high profile publicity in her short career as a Rally Driver even taking on the fastest animals on the planet in her Ford Fiesta for the BRC Challenge Series.

Louise's ultimate ambition is to become the first Female World Rally Champion!!!

To find out more about Louise and maybe even help support her to become World Rally Champion visit www.cutecookie.co.uk
