

WYNN'S DISTRIBUTOR ELBERON (SERBIA) ON THE MOVE !

Recognition for Wynn's products in Serbia

In 2010, **Elberon** received the famous and reputable **Quality Oscar** for the Wynn's Products in the category of automotive additives.

This Oscar was established by the Automotive Forum twenty years ago.

Wynn's congratulates Elberon with this Quality Oscar which is a recognition of the professionalism of Elberon and the high quality of the Wynn's products.

Aircomatic III and Premium Professional Products at the Belgrade Car Show

In March 2011, Elberon, presented the Wynn's Aircomatic III machine with Ozonizer and the new Premium Professional Products (Petrol Clean 3 – Petrol Power 3 – Diesel Clean 3 – Diesel Power 3) at the 49th **Belgrade Car Show**.

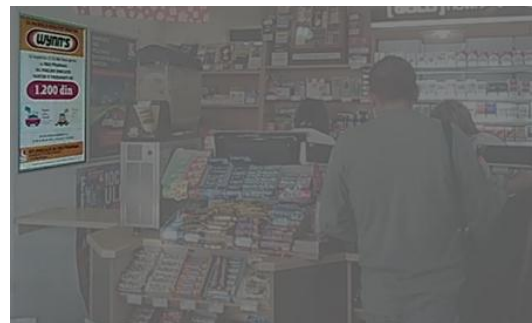

Promotional actions for Airco-clean® and FuelServe treatments

Elberon organizes a promotional action for the Wynn's professional treatments, Airco-Clean® and FuelServe in 30 EKO Hellenic Petroleum petrol stations and 56 service stations (many of them OEM service stations) all around Serbia.

During the period of April 15th to 30th June 2011, drivers get a voucher per purchase of minimum 25 liters of fuel and receive a € 12 Euro promotional discount on a Airco-Clean® or FuelServe treatment in the specified service stations.

Purpose of the action is to promote the Wynn's treatments within the target group in Serbia and to support the Service stations which carry out these Wynn's treatments.
