GLASS CLEANER

WYNN'S GLASS CLEANER is an innovative formulation for the cleaning of all type of glass.

Properties

- ✓ Specially developed to remove bugs, dirt, grease, deposits, tobacco and vaping residues and traffic film from windscreens, light, mirrors, etc.
- ✓ For inter interior and exterior use.
- ✓ Contains non-drip formula that allows the product to remain in contact with the surface for a faster, and easier clean of the highest efficiency.
- ✓ The encapsulated technology of the active ingredients helps to lave a smear-free finish and a fresh aroma.
- ✓ Easy to use

Applications

- ✓ For all types of glass: Windscreens, lights, mirrors and all vehicle body glass.

Directions

- ✓ Shake well before use.
- ✓ Spray directly onto the glass surface from an adequate distance (20-30 cm) to obtain the best non-drip effect.
- ✓ Buff gently using a soft and dry cloth until the surface is clean and the product removed.
- ✓ To obtain an optimal, clean surface free of any haze, buff it until any remaining product is completely eliminated, obtaining a homogenous surface appearance, free of any spot.
- ✓ Repeat the process if necessary.
- ✓ Essential to use a new or perfectly clean wipe to apply the product.
